

Anzo Group's Compliance Journey

ANZO

Working alongside more than 450 group employees across seven locations, the Anzo team provide a variety of key functions, including corporate IT, HR, facilities, legal, compliance and finance for LiveScore Group and Roxor Gaming.

CHALLENGES

- Needed to implement a more robust RoPA process
- Move from spreadsheets to a harmonized platform
- Working to strengthen the culture of privacy across the organization

BENEFITS

- A centralized hub for monitoring and reporting on processing activities
- Increased transparency and easier reporting
- Custom, user-friendly DPIA formats
- Ongoing support from the OneTrust team with inventory uploads

ONETRUST MODULES

- Data Mapping
- Assessment Automation
- Incident Response
- Vendor Risk Management
- Cookie Compliance
- Consent Management
